David Carter to the Rescue!

A great big THANK YOU goes to David Carter for filling in the potholes in the NACHS Shelter's driveway. David had these potholes filled the same day he was notified of the problem!! Great job, David!

Bark in the Park is a Huge Success!

The total amount raised was \$5,700! Southside Market donated \$3,305.15 from the sale of raffle tickets and steak dinners!! Great job, Wendel Melton! A great big THANK YOU to Deanne Tanksley for organizing this fun filled event!

Also, we would like to thank Marshall Ramsey. He signed 32 of his books, including some of his first publications, which were donated by Charles and Rosemary Hall. Due to a generous discount on his part, the book signing raised over \$550 for the Shelter!

Natchez-Adams County Humane Society Cats of the Week

The “Andy Griffith Show” litter of kittens (Aunt Bee, Helen, Andy and

Barney) are super affectionate, playful and lovable. Please stop by the shelter to meet them and take a look at all of the cute and playful kittens that are available for adoption now. During the “Two for the Price of One” cat and kitten sale, two kittens (or cats) can be adopted for only \$35.00 and that includes the cost

of the spay/neuter surgery if not already done. Please visit the shelter to meet some of our nice adoptable cats and kittens. Every cat and kitten adoption saves a life.

Natchez-Adams County Humane Society Dog of the Week

Bandit is a 3-year-old female Jack Russell Terrier/Beagle mix. She is a sweet and affectionate girl that gets along with everyone and with other dogs. Bandit has already had her spay surgery and she is ready to go home with her new family today.

Every adoption saves a life.

Shelter and Quarantine Needs

Precious "Mini Panthers" Ready to Provide Unconditional Love

Our wish for this week isn't on [Amazon.com](https://www.amazon.com), nor can you pick it up in any local store. This week, we wish that all of our "mini panthers" find their fur-ever homes. We have 14 solid black kittens that have grown up in the shelter. They are all active teenagers now, and they want to go home! Each of these beauties is fully vaccinated and spayed or neutered. Several of them are in bonded pairs and can be adopted for one fee! Please visit our "mini panthers" Tuesday through Friday, 2-5pm or Saturday, 11am-2pm.

Top of the Morning – Nominations and The Increase of Adoption Fees By Judy Curran

The annual meeting of the general membership of the Natchez Adams County Humane Society scheduled for Monday, November 28 is rapidly approaching.

Anyone whose membership is current as of October 28, 2016 will be eligible to vote during the election of directors. If you are not a current member and wish to join in time to vote, you may submit your dues to NACHS, P.O. Box 549, Natchez MS 39121 or in person at the new shelter located at 475 Liberty Road. The membership form is available on our website: www.natchezpetadoptions.org (or on page 12 in this newsletter).

There are four (4) positions opening on the board commencing January 2017. The length of the term is three (3) years. If you are interested in becoming a Director, please contact our Nominations Committee by email at natchezpetadoptions@gmail.com or call *Kathy Fitch at 601-303-0672**.

Director nominations **will not** be taken from the floor during the meeting. An alternate way to have your name placed on the ballot is to submit a petition signed by at least 25 current NACHS members. Those submitting a petition will have their name added to the ballot. Your petition must be filed with the Secretary by Monday, November 14, 2016. The address for submitting your petition is NACHS P.O. Box 549 Natchez MS 39121. *The current membership list will be posted on the website in the next few days**. Other news: We are going to increase our adoption fees this November. The new adoption fee for puppies and dogs will be \$75. The adoption fee for kittens and cats is increasing to \$50. This increase will aid us in covering some of the costs we incur with each animal we take. If you look at what we do for the animals, you will see this is still a wonderful bargain over taking a “free” pet advertised. Your adoption fee includes worming, age appropriate immunizations and boosters, rabies immunization if old enough, spay or neuter and initial heartworm protection. This is in addition to the daily care they are receiving. Unlike many other shelters NACHS does not have a maximum period of time we keep animals. We are working towards being a no-kill facility for healthy, non-aggressive pets. To achieve that goal means we are keeping animals for longer periods of time, often months and this greatly increases the amount of money the care of an individual requires. If you are thinking about getting a pet remember the fees will increase in November.

**Updated since Top of the Morning publication.*

(Top of the Morning – continued)

Please take care of your pets, spay and neuter. Lastly, adopt rather than shop. Thank you for your support both in the past and the future; the animals are dependent on you.

From our Shelter Manager, Sarah Wees

September 26, 2016

Exactly one year ago today we began operating out of the new shelter! A lot has happened since then, and we anticipate even more in the years to come. Thank you to everyone who has supported us through this major transition. We appreciate your encouragement and understanding as we evolve our operations to best serve the homeless animals in the community. If you haven't already, we encourage you to visit us at 475 Liberty Road. Whether you're looking for a new family pet, you're interested in becoming a member, or you want to donate your time to help the animals... you can do it all at NACHS!

WE JUST WANT TO SAY...
THANK YOU!
